

# SHAPE MICHIGAN'S FUTURE

The redistricting reform amendment passed by voters in 2018 **ends gerrymandering** and creates a **fair, impartial, and transparent** redistricting process controlled by real, everyday Michigan voters!

Michigan will finally have:

- ▶ **Maps that RESPECT our communities**
- ▶ **Competitive elections where your vote COUNTS**
- ▶ **Responsive politicians who listen to your VOICE**

“  
*It's the **opportunity of a lifetime** to grow as a leader and as someone who loves your state and wants to contribute to it being a place where **everybody has a voice.***

- California Redistricting  
Commissioner Connie Malloy

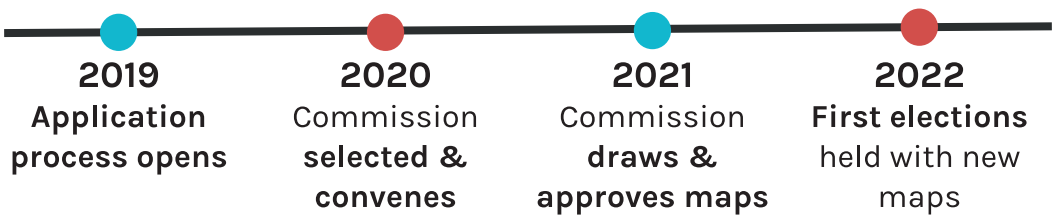

**But it's only possible if  
YOU participate!**

**Flip this card over to learn more.**

# It's time you draw the line.

- ▶ **Take power back** from politicians who gerrymandered our election district maps to rig elections in their favor.
- ▶ **Every registered Michigan voter** is encouraged to apply.<sup>^</sup>
- ▶ Serving on the Commission is a **full-time, paid position**.
- ▶ Your employer must hold your job while you serve.
- ▶ You don't need a law degree, map-drawing experience, or a computer science background.
- ▶ Your job is to **listen to the public** and to work with fellow Commissioners.
- ▶ The Commission will have its **own budget** to hire staff and expert help.
